

Navyug Namdhari Ecodrive Pvt. Ltd

About NNE

Navyug Namdhari Ecodrive is a bike industry leader in India since 1950. Our range of micro mobility solutions varies from an exciting collection of bikes for children & youth, through high quality products for various disciplines, including urban, road, mountain, hybrid, and electric bikes, and since 2023 our collection expanded to include e-scooters and cargo bike solutions.

We are an **ISO 9001:2015** certified company. We are the only **SMART** bicycle manufacturing facility in India having **SEDEX SMETA 4 – PILLAR** certification, also **ZED Silver** certified company (**ZERO DEFECT ZERO EFFECT**).

Beyond cutting edge technology and attention to detail, we take pride in our R&D capabilities, and we are proficient in delivering a client-specific, tailor-made solution. In addition to innovation and creativity, our multi-national management team brings to the table decades of experience in retail and after-sale, and this is also a significant factor in our confidence to guaranty long term customer success.

We are passionate cyclists dedicated to providing the best biking experience for riders of all levels. Quality is at the heart of everything we do. We meticulously select the finest materials and components to ensure our bicycles deliver superior performance and durability.

Last but not least, it is important to us that we always align with NNEs core values of sustainability, social responsibility and conduct our business with integrity and honesty with partners who share our values and long term vision for the future.
